### **IACNT Welcomes the Delisting of the Main Iranian Opposition, The MEK**

Today, we read about the decision by the Secretary of State, Hillary Clinton, in removing the main Iranian opposition movement, the Mujahedin-e-Khalq (MEK/PMOI) from the State Department's Foreign Terrorist Organization (FTO) List.

The delisting of the MEK was long overdue; we thank Secretary Hillary Clinton for doing the right thing. The removal of the MEK from the terrorist list will unshackle the movement in its efforts to bring about democratic aspirations, and serves notice to the ruling Ayatollahs that the days of blackmail and intimidation are over.

The delisting will also encourage Iranians at home and abroad.
